6. Code of Conduct

One of the program's most important goals is to facilitate the growth and development of character. It is expected that students live in a manner worthy of respect in their behavior, and attitudes, both in and outside of the program settings. Therefore, each student is expected to:

1. Abstain from practices including: drunkenness, stealing, slanderous or profane language, dishonesty, occult practices and sexual misconduct or any other behavior that is considered unbiblical.
2. Avoid attitudes (such as greed, jealousy, pride, bitterness, needless anger and discrimination) and behavior (such as gossip, divisiveness and complaining) that disrupts the unity and health of the program.
3. Show respect and consideration for other students and staff and their property.
4. Show respect for the team and co-operate with the aims and endeavors of the program.
5. Attend all prescribed classes and activities required by the program unless formally excused.
6. Be neat, clean and modestly dressed.

CityScape Leadership Program will provide the framework and support needed to bring personal growth. If students find, however, that they are genuinely struggling with any issues we advise they speak to the team at CityHill Church and allow them to bring guidance, counsel and correction to the situation. Any behavior that contravenes the Student Code of Conduct may result in disciplinary action. Any behavior that compromises the welfare of other students will result in immediate termination of enrolment.
